ART Certified Chiropractor Wanted in south Florida

We are seeking a full-body certified ART Chiropractor (Licensed) in south Florida area to develop a sports chiropractic office and provide corporate wellness at one or two of our local corporations.

We prefer someone with some experience in addition to the skill and drive to develop a practice.

Proficiency in rehab/corrective exercises and Instrument Assisted Soft Tissue is a must as well. Our current practice in Boca Raton treats many local and professional athletes, as well providing corporate wellness programs in the area. We are looking to start the interview process now in preparation for a desired January/February start. Please send your CV/Resume and cover letter detailing why you are qualified for this position to drkchristie@gmail.com
